Save the Date! North Texas Giving Day is September 17th! Be part of the change to empower every family and community to care responsibly and compassionately for our most vulnerable dogs and cats. Help Spay Neuter Network make a difference for more than 60,000 Texas pets on North Texas Giving Day #NTxGivingDay <https://spayneuternet.org/north-texas-giving-day-2020/>

Donate to Spay Neuter Network and you can help our clinics spay, neuter, vaccinate and/or microchip more than 60,000 dogs and cats this year #NTxGivingDay

Donate to Spay Neuter Network on [North Texas Giving Day](#), and a portion of your donation will be matched by the Communities Foundation of Texas #NTxGivingDay

Your donation on North Texas Giving Day will bring Spay Neuter Network transport vans and 40-foot mobile animal hospital to 15 Texas counties and make care available in communities where basic veterinary care is remote or nonexistent #NTxGivingDay

Today is North Texas Giving Day! Get up and give to Spay Neuter Network. A portion of donations will be matched by the Communities Foundation of Texas! That's even more pets that will be spayed/neutered, receive low-cost vaccinations and microchip #NTxGivingDay

Donations made to Spay Neuter Network today will help (cats/dogs) like (name of pet) get spayed, vaccinated and microchipped. Helping her and cats like her live a happy and healthy life #NTxGivingDay

Donations made to Spay Neuter Network (today/on NTGD) will help educate families about spaying, neutering and keeping pets off streets. Last year alone, our outreach team worked with 30,500 households in underserved communities #NTxGivingDay

Your donation to Spay Neuter Network will help teach pet safety and pet care to over 5,000 K-5 public school children in the Fort Worth school districts #NTxGivingDay

Your donation will support Spay Neuter Network's new Intake Diversion Program that will help pet parents access resources such as veterinary care, training and behavior support, pet food assistance, and intake-diversion counseling with the goal of keeping pets with their families #NTxGivingDay
