OUR VISION

To create compassionate communities free of homeless pets.

LONE STAR BARK: THE EVENT

Lone Star Bark is one of North Texas's most anticipated pet-friendly events, bringing together thousands of animal lovers, families, and their dogs for a high-energy afternoon of fun, food, music, and memorable experiences at Lone Star Park.

This isn't just an event people attend; it's an experience they share. From cheering on dogs racing down the track to laughing through games and snapping photos with their pups, Lone Star Bark creates joyful moments where sponsors can truly connect with the community.

HELPING MORE PETS LIKE DORIS

When Nancy discovered Doris, an eight-month-old puppy who had been abandoned near her father's workplace, she knew she couldn't leave her behind. Nancy brought Doris home, determined to give her a safe, loving future. She's even working to help two other dogs from the same area so they can eventually find homes as well.

Like many families, Nancy faced challenges finding affordable care with timely availability. That's where Spay Neuter Network stepped in. Doris received a low-cost spay, vaccinations, and the preventative care she needed to stay healthy and protected.

Families like Nancy's rely on access to affordable, high-quality services to do the right thing for their pets. Funds raised through Lone Star Bark help Spay Neuter Network continue providing this care, ensuring more pets like Doris receive the services they need, while preventing future litters and reducing pet overpopulation across North Texas.

Sponsors make this impact possible. By supporting Lone Star Bark, your business helps turn compassion into action for pets and the people who care for them.
